CLUB TOURNAMENTS

Procedure in the event of lightning:

1. Play is immediately suspended when the lightning siren sounds (one long sound set at 15km). Players are advised to return to the clubhouse immediately. All clear is two short blasts on the siren. Failure to leave the course immediately could result in disciplinary action taken by the Club.
2. If the Saturday AM or Sunday AM competitions are cancelled and play is weather delayed long enough that it will prevent the PM players from teeing off on time, AM players will not be allowed to proceed with their round. If play resumes, the Club reserves the right to cancel the competition if there is not enough light for all players to complete their rounds.
3. If a Club competition is cancelled, a refund for the Competition fee will be issued and will appear on the member's profile. This may be redeemed at the next Club competition. No cash refunds will be given. If all players complete nine holes and the lightning siren sounds the competition will be held over nine holes. Prizes will be divided equally between the two nines.
4. Green fees will not be refunded unless players have paid and have played less than 3 holes and a decision has been made by the manager on duty that the conditions would not allow play to continue at a later stage.

NB: Players are advised that the weather shelters on the courses are designed for shade or rain purposes only, and offer no protection from lightning

MATCHPLAY EVENTS / KNOCKOUTS

1. Players will have to complete all 18 holes and additional holes (should it be required) to get a result.
2. If inclement weather affects play, then players have to mark their ball and proceed to the Clubhouse. Thereafter, all players have to wait for an "all clear" to continue play.
3. If the "all clear" goes off and only allows for a small percentage of the field to complete their matches, then these pairings will be required to finish their matches. If either party elects not to but does have the opportunity, then they will automatically forfeit their match.
4. Should the "all clear" go off too late and not allow for any players to complete their matches, then the round is declared null and void and an alternative date must be found before the following round.
5. Should both parties reach no alternative date before the following round, then both pairings will be disqualified.
6. Should either party unreasonably disagree to accommodate a pairing on the alternative date or before the fixture date, then the pairing will be disqualified.

CLUB COMPETITION ETIQUETTE

All players are required to complete their scorecards correctly, sign them and place them in the box provided.

This applies to all Club competitions where results are correlated by the Golf Department.

- Full names of markers to appear on scorecards and scorecards to be signed by players and markers. First and surnames allow correct acknowledgement and is advised as a matter of courtesy.

- Submitting a scorecard means that each player / better ball pair must submit a card with his / her / their names appearing as "players" on the scorecard.
- Cut-off times to submit scorecards are:
 - 13h45 for the morning field – prize giving will start at 14h00
 - 17h45 for afternoon field – prize giving will start at 18h00
- Sat AM & PM prize-giving attendance draw is done from the submitted scorecards. Submitting a scorecard means that each player or better ball pair must submit a card with his/her or their names appearing as "players". Firstly a card is drawn from the submitted pile and then depending on the competition of the day either A, B, C, or D is drawn. For a singles competition the name of the player who appears as "Player A" will be the winner. All others are drawn as per a drawn letter. The Member needs to be present at prize giving to win the lucky draw prize.
- It is considered an unfair advantage to play the same course in the morning that will host a competition in the afternoon. (this applies to all afternoon competitive rounds) at the discretion of the Senior Golf Manager, any golfer who has been found to transgress can be disqualified from the afternoon competition.

- All results for K/O fixtures need to be submitted by the preceding Monday @ 12:00, thus allowing players to play their match on either the Saturday, as per the fixture date or the Sunday of that weekend.
- Extensions will be granted to players who are selected to represent the Club at Club level, i.e. League, Provincial or National level. Furthermore, should the league fall on a Sunday, the player will be granted an extension even if the knockout fixture is scheduled for Saturday, and he/she so wishes to withdraw from golf on the Saturday because he/she is representing the Club, Province or Country on the Sunday.
- The Senior Golf Manager will exercise his / her discretion to avoid misuse of this policy.
- Should a player be found playing on the deemed Saturday when an extension had been requested, the player will automatically be disqualified from the tournament and the opponent will advance to the following round.
- Players may by mutual agreement play on the alternate golf course, i.e. Bushwillow instead of Firethorn, if it is not possible to play on the stipulated course, for a match being played either before or after the stipulated date.
- Opponents may not unreasonably disagree to play a fixture earlier and wherever possible such requests are to be made at least two weeks beforehand.
- It is the player's responsibility whose name appears on top of each match tie to confirm the match and tee time.
- Matches finishing tied after 18 holes must continue on a sudden-death basis from the hole at which the match originally commenced with players taking their strokes as they did at the start of the match. These players will have the right of way and will be squeezed in between the field.
- In handicap knock-out events the lowest handicapped player should play off scratch and the other player/s to play off the difference between that person's handicap and their own.
- Each event's matches may be played on different courses.

3. The following committee-endorsed drive cart pricing structure for members applies:
 - Members who are categorised as senior members & members 65 years and older i.e. pensioners, qualify for the applicable senior cart hire rate for 18-holes for weekdays only but excludes Public Holidays.

5. **Not Under Investigation by Sport Governing Bodies:** The member should not be under investigation by sports governing bodies, at least not if such information is known by the General Manager of Randpark Club at the time of inquiry.

PACE OF PLAY PROCEDURES

Introduction:

1. Slow play is inconsiderate, disrespectful and discourteous to fellow players.
2. The policy and procedure document is intended as a guideline to describe situations in which groups of players are considered to be behind the group in front, holding up the field, best practices for playing with more urgency and further, what warnings and penalties may be given to offending players and by whom.

Club Policies Regarding Slow Play:

The Club actively encourages players to observe the following common courtesies and practices all of which are designed to speed up play:

1. A group's position on the golf course is immediately behind the group in front, **NOT** immediately in front of the group behind.
2. Randpark Club endorses the following extracts from The Rules of Golf dealing with etiquette and behaviour on the course:
 - It is a group's responsibility to keep up with the group in front. If a group loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, **regardless of the number of players in the group.**
 - Players should be ready to play as soon as it is their turn to play (e.g. a player should already have selected his / her club or examined the line of putt before his / her turn to play a stroke).
 - When playing on or near the putting green, players should leave their bags or carts in such a position as will enable quick movement from the green towards the next tee.
 - When the play of a hole has been completed, players should immediately leave the green (and not take practice putts or complete the scorecard etc. even if not being pushed from behind).
 - If a player believes his / her ball **may** be lost **outside** a penalty area or is out of bounds, to save time, he/she should play a provisional ball (i.e. avoid having to go back to the tee).
3. Courtesies
 - If possible, do not book in peak times if you cannot play to a standard necessary to keep pace with the field.
 - Play from a set of tees that is best suited to your game.
 - Maximum halfway house break = 12 minutes.
 - Pick up your ball if you cannot score (or improve on your partner's score).
 - Report to the tee at least 10 minutes before your tee-off time.
 - Players must tee off for their round on time or as soon as the fairway is clear and may not wait for late arrivals. Groups waiting for latecomers will not be sent to the back of the field as this affects the turn. They must tee off on time and late arrivals must catch up.
 - A player who arrives late but within 5 minutes of his / her starting time will be penalised two strokes; otherwise, he/she shall be disqualified.
 - It is also the player's responsibility whose turn it is to tee off first, to complete the scorecard, he/she should tee off prior to completing the card.
 - As a guideline for both courses, the maximum time to complete a Par 3 is 11 minutes, a Par 4 is 14 minutes and a Par 5, 17 minutes i.e. Max. 125 minutes (2hrs 05 min) per 9-holes.
 - OR 4hrs 20 min to complete 18 holes including halfway.

This does not override the main principle that groups must keep up with the group in front even if they are well ahead of the group immediately behind them.

Playing to this Guideline:

- If a group walks onto the tee of a Par 3 or Par 4 and the group ahead has left the green that group is out of position and must make every effort to close the gap. Similarly, if a group walks on to the tee of a Par 5 and the group ahead is playing their approach shots to the green or is within 100m of the green, the same applies.

Procedures to Apply to Groups who do not obey the above Policies:

- The course marshals and competition officials are authorised by the Committee to apply the following warnings and penalties to groups not adhering to the above policies:
 - 1st offence = warning from marshal/official that they are on the clock and if they do not catch up to the group in front, they will be penalised;
 - 2nd offence = one-stroke penalty;
 - 3rd offence = disqualification;
 - 4th offence = remain unduly slow and tell all players in the group to leave the course.
- Experience has shown that players' reactions to requests to speed up and warnings for slow play are more often than not antagonistic and aggressive. Marshals are instructed to report slow play incidents and cautions/warnings issued to the competition officials, before issuing the one-stroke or disqualification penalties. Such officials shall take such action as they deem appropriate, including endorsing or imposing the required penalty suggested by the marshals.
- Excuses that the group in front is a three-ball or are in carts are illogical and invalid as they may only play as fast as the four-ball in front of them.
- Penalties imposed must, preferably, be communicated to the offending player/s immediately, while they are still on the golf course, and, in any event, before submission of scorecards. If, however, the penalty is communicated only after scorecards have been submitted, it shall not be grounds for disqualification on the basis of an incorrect score having been signed for and submitted.
- In the event that a player abuses a marshal/official arising from a request to speed up or warning/penalty issued, or treats a marshal/official, with contempt or disrespect, disciplinary action shall be taken against the offending player/s in accordance with clause 17 of the Club's Constitution.
- It is a request of the player who has the lowest handicap in the four-ball, to at least make aware to his / her group that they are behind, however, this in no way implies that it is his / her responsibility or that he/she alone will incur the above penalties. i.e. it is every player's responsibility to maintain pace of play and after the second warning, all players in the group will be disqualified.

HANDICAPS

Eighteen Hole Scores:

- All handicaps are calculated on a daily basis (24h00) and should therefore be double-checked by players before each round of golf is played.
- All members are required to enter all their 9- and 18-hole scores including those played outside of normal club competitions.
- It is a player's responsibility to ensure rounds entered at other clubs transfer correctly to their home club.
- All scores must be entered when a marker is present, this includes Match Play formats as well.
- A score is acceptable for handicap purposes if the round has been played:
 - In an authorised format of play (see Rule 2.1a) over at least the minimum number of holes required for either a 9-hole or an 18-hole score to be acceptable (see Rule 2.2),
 - In the company of at least one other person, who may also act as a marker (subject to satisfying any other requirements of the Rules of Golf),
 - By the Rules of Golf (see Rule 2.1b), on a golf course with a current Course Rating and Slope Rating, where length and normal playing difficulty is maintained at a consistent level (see Appendix G),
 - On a golf course during its active season. In addition, the player's score must always be certified in accordance with the Rules of Handicapping (see Rule 4.4).
- If one or more of the requirements set out above is not met, the score is not acceptable for handicap purposes.

Nine Hole Scores:

- 9-Hole Adjusted Gross Scores are to be entered on the GolfRSA Handicap System where the player has completed between 9 and 13 holes. The system will use the player's adjusted gross score for the 9-holes played and then add par for the second nine, plus the player's course handicap strokes received on the 9-holes played, plus one additional stroke to give an 18-hole Adjusted Gross Score. This Adjusted Gross Score will then be converted into a Differential using the formula as detailed in section 6.

Incomplete Rounds:

- If a player completes 14 or more holes, the player must post an 18-hole score. If more than 9 but less than 14- holes are played, the player must post a nine-hole score. Scores for unplayed holes must be recorded as par plus any handicap strokes that the player is entitled to receive on the unplayed holes. Example: A player with a Course handicap of 24 stops playing after 16 holes because of lightning. Hole 17 is a par 3 and its stroke index is 18 on the course scorecard. The player will record 3 (par) plus 1 handicap stroke for a gross 4 on hole 17. Hole 18 is a par 4 and its stroke index is 6 on the course card. The player will record 4 (par) plus 2 handicap strokes for a 6 on hole 18.
- Time limit on entering scores: A score should be returned on the same day as the round was played but no later than 24 hours after completion of a round. The period of 24 hours is taken from 23h00 on the day of play to 23h00 the following day. Scores not returned during this period will result in a penalty score, being entered on the player's behalf. Such scores are not to be deleted or modified by the player's home club unless exceptional circumstances warrant such action. A player is obliged to enter a score on the system before another round is played.
- Penalty Scores: A penalty score is the lowest differential of the player's last 20 recorded scores or such penalty as the club handicap committee may decide, based on the circumstances around the failure of the player to enter the score.
- A nine-hole course played twice consecutively constitutes a stipulated 18-hole round – same day and session.
- The following will also constitute a stipulated 18-hole round:
 - Two consecutive 9-holes played on the same 9 or 18-hole course
 - In different sessions (e.g. AM / PM of the same day)
 - On different days (e.g. Saturday / Sunday)
 - Provided that no other round of golf is played between these two 9-hole rounds.

NOTE 1: The full World Handicap System Rules of Handicapping Manual is available as a separate document and may be viewed at www.handicaps.co.za.

Scores not Accepted:

Not Acceptable Scores made under the following conditions are not acceptable for handicap purposes and should not be entered in any form in the player's scoring record:

- a. When the score cannot be ratified by a marker.
- b. When the types of clubs are limited (as in a competition in which only iron clubs are allowed).
- c. When the round played includes the use of "Mulligans".
- d. When more than one ball is used.
- e. When the course played is not officially rated including when a course is set up much longer or shorter than the Average Playing Length when the rating of the course was determined.
- f. When the player uses non-conforming clubs, balls or tees, or with respect to Rule 14-3 (Rules of Golf) where an artificial device is used in the execution of a stroke or when equipment is used in an unusual manner during the execution of a stroke.

DRESS CODE ON THE GOLF COURSE

Relaxed dress codes are the norm today. Accordingly, it is difficult to apply dress rules; however extremes in "casualness" cannot be tolerated at a golf club.

We require golfers to wear recognised golf attire on the golf courses. It is a member's responsibility to ensure that guests are aware of the Club's dress code policies to avoid embarrassment both on and off course.

Members and guests entering the clubhouse or using the veranda areas are also required to be neatly dressed.

Disciplinary Procedures:

The Committee of Randpark Club will deal with all Club disciplinary matters. A Disciplinary Sub Committee will be formed by the Committee to consider a complaint within the competency of the Committee.

The General Committee will also deal with any complaint about the misconduct of a member of the Club at another affiliated golf club in the same manner as if the offending conduct had occurred at Randpark Club.

All matters which breach this code of conduct shall be processed as follows:

- After receiving a complaint, the Club Captain/Vice Captain will meet with the parties to determine whether the complaint raised is a serious enough issue to warrant further investigation and a hearing. If the Club Captain/Vice Captain determines that the complaint is not serious enough to warrant further investigation, the findings are to be forwarded to the General Committee for ratification. The complainant will so be advised.
- If the Club Captain/Vice Captain with the support of the General Committee having considered the alleged complaint is of the view that the complaint is of a serious enough nature to investigate further, it shall cause to obtain written statements from the complainant and any other witnesses or person who may have knowledge about the incident.
- After receipt of written statements, the sub-committee will then decide to either conduct an enquiry where parties involved will be called upon to attend a hearing to discuss what transpired or to conduct a disciplinary hearing.
- If an enquiry is called for and convened, the sub-committee, in its sole discretion, may decide to finalise the matter there and then, provided that apart from a reprimand no further sanction may be imposed unless a party agrees thereto after ratification of The General Committee. If it appears to the sub-committee that the matter is more serious than anticipated, it can refer the matter to a disciplinary hearing.
- If the General Committee decides to conduct a disciplinary hearing, it will inform the person implicated when and where the hearing will be held and inform him or her in writing of the allegations. The implicated person will be informed that he or she has the right to call witnesses and to cross-examine witnesses called on behalf of the complainant.

Note: No action will be taken by the General Committee or sub-committee where reports of an incident are overheard and commented on casually.

The following procedure must be followed by a member laying a complaint:

- Report the incident as soon as possible to the GM/CEO and Club Captain.
- Put the complaint in writing and forward it to the GM/CEO and Club Captain within ten days.
- The complainant must avail himself or herself to provide oral evidence at an enquiry and disciplinary hearing and be cross-examined or to take part in a general discussion at an enquiry.
- Abstain from confronting the alleged wrongdoer.
- If the complaint directly involves the Club Captain, the complaint should be addressed to the President of the Club.
- Once the complaints' procedure is initiated by the Committee as a result of any of the above, the following procedure will apply:
 - The member will be notified in writing of the complaint against him/her. A copy of the complaint will be enclosed. The member will be given 7 days' notice to attend the meeting for the purpose of responding to the complaint.
 - Failure by the member to attend this meeting, without good cause, will result in immediate sanction.
 - In the event that the complaint is challenged, the matter will be fully investigated, unless the General Committee receives a written acknowledgement of wrongdoing.
 - All parties to the complaint and relevant witnesses may be interviewed if deemed necessary, by the committee.
 - Having considered all the facts, the Disciplinary Sub-Committee will decide whether or not to uphold the complaint. If the complaint is upheld the Disciplinary Sub-Committee will decide what sanction is appropriate. The meeting will be recorded, and the details of the decision will be recorded and minuted.
 - The decision of the Disciplinary Sub-Committee will be referred to the General Committee for ratification. In terms of clause 17.5 of The Constitution of Randpark Club (ratified at a SGM on 2.9.13), "the decision of the General Committee will be final, and no member shall have any course of action cognisable in a court of law for alleged wrongful disciplinary action or wrongful expulsion", unless there has been a procedural flaw in arriving at the sanction. An appeal can only be lodged against a flawed procedure, not the sanction determined by the General Committee. An ad hoc Disciplinary Appeal Committee will be appointed to hear this matter.
 - The member will be informed of the General Committee's decision in writing within 7 days, after ratification by the General

Disciplinary Sub-Committee

The sub-committee will be made up of the following three members:

- Captain or Vice Captain
- President or Vice President
- Fincom Chairman or Fincom member

If a Gencom member is the subject of a complaint, the sub-committee will comprise three members: either Honorary Life Presidents/Vice Presidents and past Captains (at least one of each). The Gencom member in question will remove himself/herself from all Club Committee & Sub Committee duties until the complaint is resolved.

Provision is also made for the General Committee to appoint an ad hoc Disciplinary Committee if it would in particular circumstances be deemed to be desirable.

Grading of Complaints

All complaints and charges are to be graded 1 to 3 with one being the lightest grading and three the most serious. This is done by reference to Appendix 1 and the following notes.

The sub-committee is required to determine the grading of the offence. The grading allocated will determine the action to be taken and the potential penalty a player may receive. Therefore, consistency of grading across offences is important and it is a requirement that records are kept supporting the grading process.
